The **ADUM personal space** is the unique space dedicated to all the procedures for requesting or validating registration, re-registration and thesis defense.

It allows:

- to access the file which includes all the information relating to the doctorate
- to modify or rectify your data
- to file administrative documents necessary for the organisation of the doctorate
- to access the services of the ADUM network:
  - job offers
  - news about the doctorate
- enrich your skills profile
- register for training courses

# ADUM: A Comprehensive Doctoral Tool

**Your ADUM Account: A unique, secure platform for managing your doctoral journey.**

- **Registration:** Essential for your first **registration** and subsequent annual renewals.
- **Online Resources:** Access:
  - News and updates from the Doctoral School and College,
  - **Training and Events:** Browse and register for doctoral training sessions,
  - Record your activities in the **off-catalogue training module**,
  - Calls for applications and funding opportunities.
- **Thesis Defense:** Prepare for your defense with step-by-step guidance.

# Individualized Supervising Committee (CSI)

- Organized before July 31st (from the 1st year onwards).
- Compulsory to register for the next academic year.
- A safe space to share any challenges or difficulties you may be facing.
- Includes at least 2 faculty members (internal and external).
- Main meeting without the Supervisor.

# Thesis Defense Steps

- With your Supervisor(s), submit the composition of your PhD Committee to Ms. Sy (lalia.sy@cyu.fr) **at least 3-4 months before your defense.** The sooner the better!
- Submit manuscript and defense date to the Doctoral School (via ADUM) **at least 10 weeks prior.**

# Confidentiality and Publication Rules

- Maintain confidentiality about lab research and third-party information.
- Comply with publication rules; refer to CY as the host institution.

# Join the EM2PSI Teams Group!

## Access essential resources for your PhD journey.

- Important dates, deadlines, and training opportunities.
- Info for your Individualized Supervising Committee (CSI).
- Guidelines for thesis preparation and defense, etc.

**Click here to join the EM2PSI Teams Group!**

# Rules of the Quiz

- Choose the **best answer** for each question.
- Have fun, and don't worry if you get it wrong!

# Question 1

How many research labs are part of the EM2PSI CY Cergy Paris Université Doctoral School?

- ① 3
- ② 4
- ③ 5
- ④ None (What labs?)

## Question 2

What does ADUM help you with?

- 1 Registrering your specific doctoral training.
- 2 Ordering pizza for late-night research sessions.
- 3 Writing your thesis for you.
- 4 Skipping the Individualized Supervising Committee (CSI) meetings.

# Question 3

Who is the Director of the EM2PSI Doctoral School?

- ① Lalia Sy
- ② Laurence Jacquet
- ③ Beyoncé.
- ④ Hendrik Eijsberg

## Question 4

When must the Individualized Supervising Committee (CSI) meeting be organized?

- ① Before July 31st each year.
- ② During your thesis defense.
- ③ After a good coffee break.
- ④ Whenever the supervisor feels like it.

# Question 5

What is required at least 10 weeks before your PhD thesis defense?

- 1 Submit your thesis manuscript and defense date via ADUM.
- 2 Start finalizing your PhD Committee (because last-minute stress is fun!).
- 3 Panic mode activation (an essential PhD ritual).
- 4 Invite friends for moral support (and maybe some brainstorming sessions).

## Question 6

What should you do to ensure confidentiality and respect intellectual property rules?

- 1 Refer to CY as your host institution in publications.
- 2 Post all research updates on X and LinkedIn weekly.
- 3 Sell your invention on eBay before informing your institution.

# Congratulations!

Thank you for participating in the quiz!  
You are now officially an EM2PSI expert!

## **Your PhD is a journey of growth as a researcher—**

Embrace every moment, balance priorities, and trust the guidance of your Supervisor and Doctoral School.
